## County to postpone hearing on rural industrial land bank

***Property owners to receive additional notice about Brush Prairie proposal***

Vancouver, WA – A public hearing has been postponed until 6 p m Tuesday April 5 for the Board of County Councilors to consider a proposal for a rural industrial land bank near Brush Prairie

The hearing will be in the sixth-floor hearing room of the Public Service Center, 1300 Franklin St It was previously scheduled for 6 p m. Tuesday March 1

Project manager Gordy Euler said the change was necessary to ensure adequate notice to property owners nearby

County planners and consultants have been studying prospects for planning and zoning changes on both sides of State Route 503 between Northeast 119th and Northeast 149th streets

The analysis includes 602 acres known as the Ackerland property on the west and Lagler property on the east. Those owners have requested a change to industrial zoning to plan for a future employment center.
