The only concern I had was whether this was one ILB or two. If we determine it's one ILB, I think we can do one master plan but we're going to have to distinguish between east and west as we move forward in the analysis.

All

Attached are a draft scope of work, timeline, and budget from Lisa Grueter at BERK for the rural ILB project. Please review. I will schedule a meeting for mid-next week for us to go over these. Thanks, and have a great weekend!
